Sydney West Dance Festival….

Senior Dance Group….

Last week was the Sydney West Dance Festival at Penrith Panthers. The senior dance group from Rooty Hill Public School performed their dance a number of times in their dazzling costumes. Even though the girls were nervous at first, they could not wait to perform again. The performances were brilliant and the dance group had an amazing time. A big thank you to all the parents who supported the dance group throughout this experience.

Junior Dance Group….

Congratulations to the girls in the Junior Dance Group who performed at the Sydney West Dance Festival last week. You sparkled in your gorgeous skirts and glittery gumboots! Thank you to all the parents who took time to help with hair and makeup.

Healthy Lifestyles….

“Get out and get active” is a brochure that gives suggestions on how to make our teenagers more active. It has great ideas for physical activities for teenagers and the benefits they will gain from them. Look out for this week’s brochure in your child’s bag!

Library News….

A borrowing competition has just begun and is being run through the library. When students borrow library books from now on, they can fill in a ticket and place it in one of the boxes on the library counter. At the end of the week a name is drawn out of each box, with these winning students able to choose a special prize.

The winners for Term 2 Week 6 are:  
Amy Humphreys 1B  
Jasleen Narayan 3/4S  
Tanzeela Shakeel 5S  

The winners for Term 2 Week 7 are:  
Ravikesh Prasad 1/2D  
Abby Bradbery 3/4S  
Shiva Panuganti 6G  

Science-a-thon….

What a great day! Fun had by ALL!

The Science-a-thon was enjoyed by both staff and students. Thank you to everyone for making this event such a success. Students experimented with friction, light and movement, magnets, chemical reactions and discussing the why of science and then testing what they have learnt.

Sponsorship Cards have been sent back home and now is the time to collect the promised funds from your family members, friends and neighbours. The money raised from the Science-a-thon will be used to purchase equipment and resources for the school. We thank you again for supporting the SRC and are looking forward to your prompt return of sponsorship cards and money.
