Dear Parents and Caregivers,

This year at Rooty Hill Public School we have a range of sports available for your child to participate in. If your child is selected in one of these sports, they are expected to make a commitment for both terms. The first 30 students who return the signed and completed forms for swimming or gymnastics will receive a place in the program. Once all places have been filled, we will keep a waiting list.

PSSA is a school representative sporting competition where we travel to other venues to play against other schools. PSSA trials will be held on Thursday 26th March and Wednesday 1st April. Your child is able to try out for a PSSA team as well as selecting swimming or gymnastics. If they are successful in gaining a place on a PSSA team, this will take priority over a swimming or a gymnastics choice. Students not attending PSSA, swimming or gymnastics will attend school sport.
